### **TIMESHEET CODE - GCWR**

Please enter the above code in the "Partners  
or Events" column of your TMN-COT timesheet.

## Examples of approved activities:

- Answer the rescue hotline (three-hour shifts)
- Clean cages
- Conduct educational presentations for school and scout groups
- Construct and maintain animal and bird cages
- Feed and babysit wildlife at GCWR facilities
- Feed wildlife at rehabilitator's facilities
- Haul sand, donated items, and other materials as needed
- Provide transportation of injured or orphaned wildlife
- Serve as booth host at special events
- Serve as wildlife rehabilitator

All hours required for the purpose of transporting injured or orphaned wildlife may be counted as volunteer hours. The standard limitation on travel hours does not apply in this case.

## Activities *not* approved for volunteer hours:

- Participate in fundraising activities
